

This whole song features a sampled drum beat, created in the studio through the computer, that Rob plays over when performing live. The drum beat labelled "Sampled Drum Beat Pattern" shows the sampled drum beat used on the recording. Because this drum beat isn't actually what Rob plays live and because it's actually quite hard to play, I've written a suggested drum beat below that you could play instead. It is just a suggestion though but is certainly the drum beat I'd use.

Suggested Drum Beat
